- Full strategy → post-production

ALWAYS ON — ENOUGH VOLUME TO FEED EVERY PLATFORM.

HOW IT RUNS

01

PLAN

Strategy call, hooks and shot list agreed before the camera comes out.

02

SHOOT

One focused day on location, capturing the month's video and stills together.

03

DELIVER

Edited and graded in DaVinci Resolve, captioned and sized for each platform.

ADD-ON — AI VFX

For any video that needs AI-assisted or VFX work: generated plates, clean-ups, impossible shots.

+£100 per video

TERMS

- Packages are billed monthly with a 3-month minimum commitment.
- Prices exclude one-off equipment costs and travel outside a 20-mile radius.
- Custom packages available on request for larger scopes or multi-location brands.

ONE-OFF SOCIAL PIECE

£650–750

For brands who want a single piece of content rather than an ongoing retainer. The exact price depends on what the piece involves.

LONGER FORMAT / BIGGER SCOPE

Case by case

Longer-form content and larger one-off projects are scoped individually. We talk it through and agree a number together.

BIGGER BRAND / COMMERCIAL WORK

Documentaries, brand films, music videos and short films are priced individually, based on scope and budget. Get in touch to talk through the idea.

Case by case

BESPOKE INCLUDES

CONCEPT & SCRIPTING

Treatment, script and storyboard agreed before the shoot is locked.

CREW & KIT

Scaled to the job, from solo run-and-gun to a full unit.

FINISH

Edit, colour and sound in DaVinci Resolve, with every cutdown you need.

LET'S MAKE SOMETHING *remembered*.
